SERMON NOTES

CONTEMPLATION QUESTIONS

- Where in our lives are there durable relationships? With whom? What could we do to strengthen them?
- How are we finding our way through demanding/controlling relationships? What might be God's direction?
- Are there hard situations you are avoiding today? What truth-telling could happen?
- Describe a time in your life when you were confronted by a friend. What was the outcome?
- Cause and effect are real. Do we easily forget that God created this order as well as others? Why do we discount the natural order of things?
